

Operator - 2nd Shift - Full Time - Waco, Texas-WAC01722

Cargill provides food, agriculture, financial and industrial products and services to the world. Together with farmers, customers, governments and communities, we help people thrive by applying our insights and over 150 years of experience. We have 155,000 employees in 70 countries who are committed to feeding the world in a responsible way, reducing environmental impact and improving the communities where we live and work.

Description

Cargill Meat Solutions

Cargill Meat Solutions is the umbrella organization of Cargill's North American beef, turkey, and food distribution businesses. Our businesses based in Wichita, Kansas, provide wholesome, high quality, nutritious and flavorful products to customers ranging from foodservice operators and grocery stores, to food manufacturers and export markets. These businesses employ more than 28,000 people in the US and Canada, who work at dozens of processing and support facilities.

Cargill Turkey and Cooked Meats

Cargill Turkey and Cooked Meats is a business committed to serving a broad range of retail, foodservice, deli, club store and branded food customers. We are focused on the success of our own national brands as well as the brands of our customers. We utilize state-of-the-art turkey, beef, and chicken processing capabilities to deliver high-quality meat products to our partners. Advanced technologies and imaginative people create innovative solutions and distinctive value for our customers.

The **Operator** is a vital role in the daily operations of our facility. This role is responsible for operating machinery to ensure product flow, all while making safety the number one priority.

While performing the duties of the **Operator**, the employee is regularly exposed to wet and/or humid conditions with slippery surfaces; moving mechanical parts; fast paced warm/cool environment. Positions require standing the entire shift and the use of PPE is required in all areas of the facility.
